

# PSHE and Personal Development

	We will learn about and discuss...
Assemblies	Martin Luther King Day. Oral Health and how to keep our teeth clean. Talking about managing money using Milo's story. Children's Mental Health and finding ways to stay well. Being safe online.
Jigsaw lessons  Our topic is dreams and goals.	Achieving goals. Perseverance. My strengths and how I can learn with others. Group co-operation. Contributing to success.
RE lessons Believing	What belief is and begin to know what they believe in. Have a visit from a vicar to ask him about his belief. How people put their belief into action by helping others.
Commando Joe's	We will develop character, self-confidence and resilience through several challenges based around the theme of Harriet Tubman. This links beautifully to our history topic looking at significant individuals (Amy Johnson).

Health and well being events in school:  
Oral Health guest speaker.  
Mental Health Awareness Week.  
Safer internet day.

Personal Care Essential

WHITEHOUSE

## Curriculum Map Key Stage 1 Spring 1

### Message from the teachers...

Welcome to our new curriculum map for Spring 1. From learning about Amy Johnson 'the queen of the air' in History to making a fruit salad in Food Technology. We have lots of hands on and fun learning activities to help the pupils learn new knowledge.

We will be having a visit from the Vicar to talk about his faith

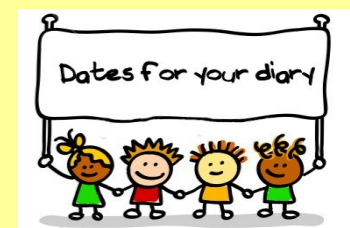

### Our School Values

### Dates for your diary

Monday 15th January  
Friday 19th January  
Monday 29th January  
Tuesday 6th February  
Wednesday 7th February  
Friday 9th February  
Monday 19th February

Vicar visiting school  
TT Rockstars Day  
Stay and Read  
Safer Internet Day and Parent Online Safety Workshop  
Awards ceremony with parents.  
Break up for half term  
Back to school

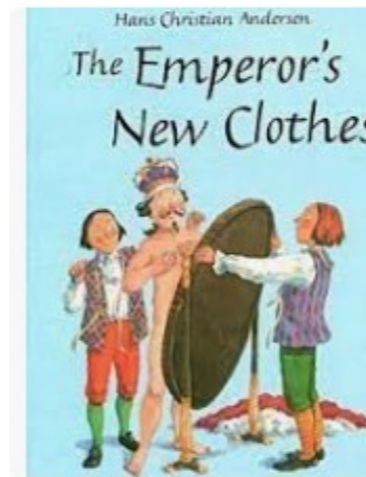

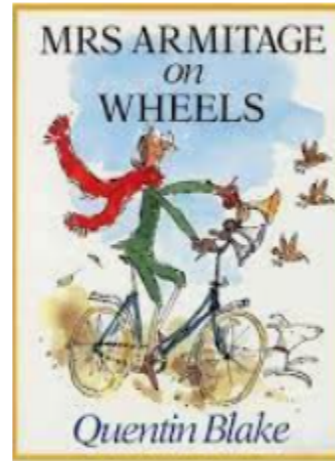

### In Science we will learn...

- to name different animals that I might find near me.
- to match the offspring to its adult form and understand that not all offspring look like their adult form.
- the lifecycle of different animals.
- what animals need to survive.

### Books we will read include...

### In Music we will...

- find the pulse.
- listen to the rhythm and clap back.
- listen and sing back with added vocal.
- use voices to copy back.

### In Computing we will learn...

- to open and use a word processor.
- to add and delete text from a computer.
- to add text and use the bold, italic and underline functions.
- to make changes to text.

## The wider curriculum

### In Design Technology we will...

- taste a range of fruit and vegetable products.
- how to cut fruit and vegetables safely.
- design a fruit salad.
- select from and use safely a range of equipment to make your product.

### In History we will learn...

- who Amy Johnson was and why she was famous.
- how she became a pilot.
- why the flight to Australia was difficult.
- how people reacted to Amy Johnson's famous flight.

*We will be visiting our new school library each week.*

*Reading will be sent home weekly.*

*Read along with your child.*

### In PE we will ...

Have two lessons a week; fitness and net and wall.

- develop racket skills and move quickly to defend a space.
- develop coordination when jumping and skipping.
- increase our stamina and fitness levels.
