Jigsaw lessons  Our topic is Relationships	What makes a family. What touches are appropriate. How to solve conflict. There are different types of secrets. How trust is built. How to keep yourself safe in a relationship.
RE lessons	To understand why we ask questions. To understand why we ask Big Questions. To answer the Big Question: How was the world created? To answer the Big Question: Who is God?
Commando Joe's	We will be looking at the Kenyan Adventures and taking on desert themed challenges.

Health and well being events in school:  
Mindfulness Events.  
Healthy Eating.  
Everything about emotions.

## Personal Care Essential

WHITEHOUSE

# Curriculum Map Key Stage 1 Summer 1

## Message from the teachers...

Welcome to our new curriculum map for Summer 1. This half term is full of learning opportunities; we will be learning about Hesse Foreshore and Country Park, learning about materials in Science and looking at structures in Design Technology by designing a home for a toy. Children, as always will read high quality texts in our English lessons, these include The Jolly Postman, What the Ladybird hear and Hansel and Gretel

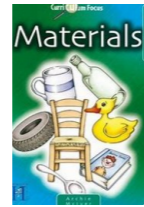

## Our School Values

## Dates for your diary

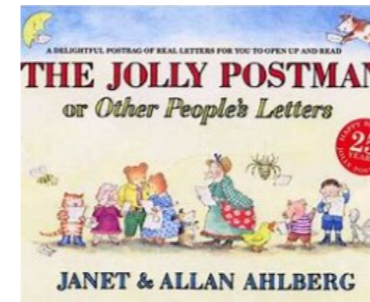

Monday 22nd April	Earth Day and Passover Week.
Monday 6th May	Sun Safety Week and Mental Health Awareness Week.
Tuesday 14th May	National Children's Day
Friday 24th May	Awards ceremony with parents and listen to your child read.
Friday 24th May	Break up for half term.
Monday 3rd June	Pupils back to school.

## In Science we will learn about...

- Name and sort different materials.
- Discuss the properties of different materials.
- Identify different materials in our lives.
- Identify the suitability of different materials for different jobs.
- Design a waterproof item of clothing.

## Books we will read include...

## In Music we will...

- listen and appraise various songs.
- play pulse, rhythm and pitch games.
- perform a songs.

## In Computing we will learn...

- how to group data.
- Why we group data.
- When we might need to group data.
- What programmes we might use to group data.

# The wider curriculum

## In Geography we will learn...

- Learn about Hessle Foreshore and Country Park.
- use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features
- devise a simple map
- and use and construct basic symbols in a key

*We will be visiting our new school library each week.*

*Reading will be sent home weekly.*

*Read along with your child.*

## In DT we will...

- Design and make structures.
- Design a house for a chosen toy to live in.
- Create structures to house a toy.
- Evaluate how effective our structure was.

## In PE we will ...

- have two lesson of PE each week- striking and fielding and teambuilding.
- In striking and fielding we will look at striking a ball using different bats and fielding the ball when it has been hit.
- In teambuilding we will have different challenges ,which will develop our teambuilding skills.
