Everything about emotions.

Personal Care Essential

WHITEHOUSE

Curriculum Map Lower Key Stage 2 Summer 1

Message from the teachers...

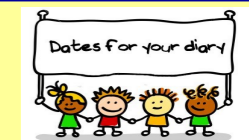

Welcome to our new curriculum map for Summer 1. This half term is full of learning opportunities; we will be learning about the Roman Empire and how the children lived in Ancient Rome, we will be looking at different food chains and seeing what animals eat, we will be designing and making a children's reading lamp and in Computing we will be looking at recording and editing our own podcasts.

Our School Values

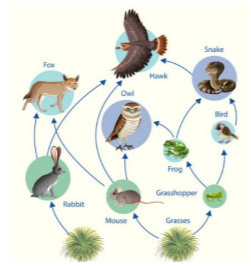

Dates for your diary

Monday 22nd April	Earth Day and Passover Week.
Monday 6th May	Sun Safety Week and Mental Health Awareness Week.
Tuesday 14th May	National Children's Day
Friday 24th May	Awards ceremony with parents and listen to your child read afternoon.
Friday 24th May	Break up for half term.
Monday 3rd June	Pupils back to school.

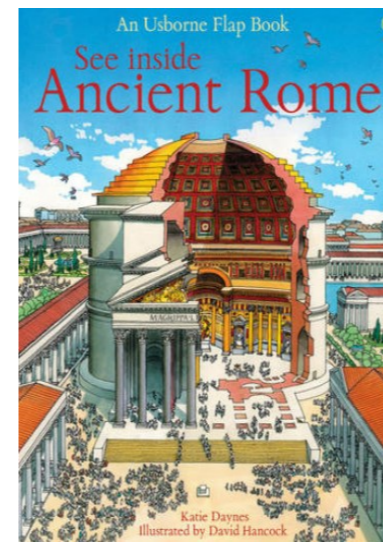

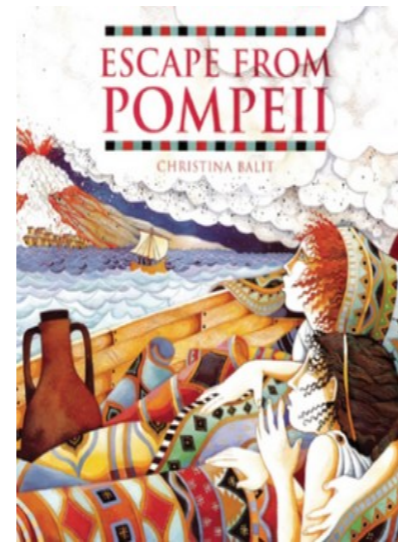

In Science we will learn about...

- Animals - to know what animals eat.
- how energy is transferred in a food chain.
- food webs and know how to use them.
- how to construct a food web and show what an animal, such as an owl eats.

Books we will read include...

In Music we will...

- listen and appraise various songs.
- play pulse, rhythm and pitch games.
- perform a songs.

In Computing we will learn...

- about audio editing when creating new media.
- how to identify input and output devices when playing and recording sound.
- how to explain the audio editing process.
- how to recognise the different parts of creating a podcast.
- how to create some recording content, edit and evaluate the project.

The wider curriculum

In History we will learn...

- about the Roman Empire and its chronology of events.
- the hierarchy of society in Ancient Rome.
- what life was like as a Roman soldier.
- what life was like for children in Ancient Rome.
- what mosaics were a form of Roman art.
- what Romans did for entertainment.

In DT we will...

Be making a reading lamp.

- investigate different reading lamps.
- learn how to create a circuit and a switch.
- design a reading lamp for a child.
- make a reading light for a child.
- evaluate our designs.

In PE we will ...

- have two lesson of PE each week-rounders and netball.
- In rounders we will learn the rules of the game and develop different throwing and catching skills, applying this to striking and fielding during a team game.
- In netball we will learn the rules of the game and develop skills in passing, moving to lose a defender, attacking to get the ball and shooting. We will apply skills and knowledge to play games using netball rules.

We will be visiting our new school library each week.

Reading will be sent home weekly.

Read along with your child.
