Curriculum Map

Key Stage 1

Spring 1

Message from the teachers...

Welcome to our new curriculum map for Spring 1. This half term is full of learning opportunities; we will be learning about the UK's countries and capital cities , worship, dreams and goals and net and wall sports. In maths we will be learning about place value, addition and subtraction and mass and volume.

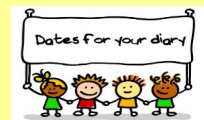

What an exciting beginning to 2025 we have!

Our School Values

In Science we will learn about...

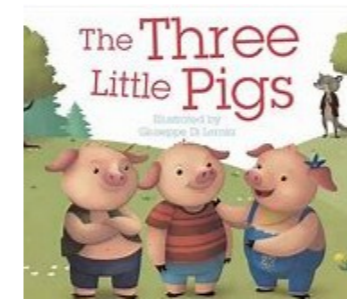

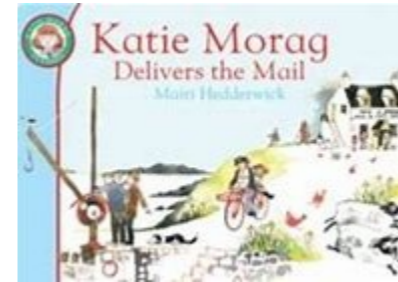

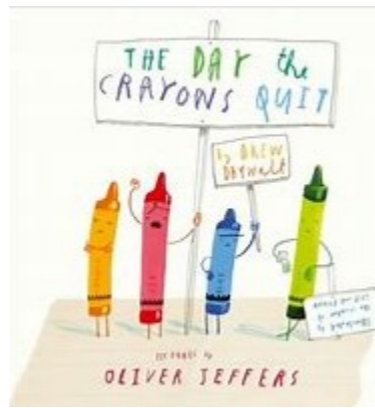

This half term we will be learning about materials.

We will look at different types of materials and explore them.

We will look at changes in matter and whether materials float or sink.

Books we will read include...

The wider curriculum

In Computing we will learn...

Programming and moving robots.

We will learn about Bee-bots and how we can programme them to move effectively. We will look at input and output and how this affects them.

In Geography we will learn...

UK countries and capitals.

This topic will focus on using map skills to locate the different countries and capital cities. We will learn about the different countries and where we live.

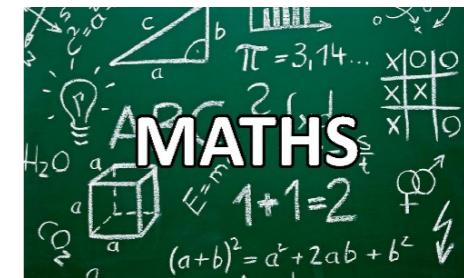

In Music we will...

We will use Kapow to teach pitch and tempo relating to superheroes.

In Maths we will...

We will be learning about place value, addition and subtraction, length and height and mass and volume.

In PE we will ...

Our PE focus will be net and wall and fitness. In net and wall we will practise our striking skills and learn more about these sports. In fitness we will learn the importance of a healthy lifestyle.

We will be visiting our new school library each week.

Reading will be sent home weekly.

Read along with your child.
